Remarks:

Spanning the entire 9th floor, this expansive residence is the perfect place to call home. Located on the famous Ocean Drive in the heart of the South of Fifth neighborhood boasting 360 degree views through floor to ceiling glass windows, 10 FT ceilings, a Calcutta marble kitchen with Gaggenau appliances and wood flooring throughout. Designed by Architect Rene Gonzalez, engaging our senses with inspiration from the surrounding landscape, designed with an all glass exterior to combine interiors with exterior spaces. Residents of GLASS are offered beach service, a beautiful pool area with Jacuzzi, boutique gym and a full time estate manager.
